Make Nature Cat's Hat

Nov 28, 2018

15 min activity

Create Nature Cat's hat with paper in this cute craft activity.

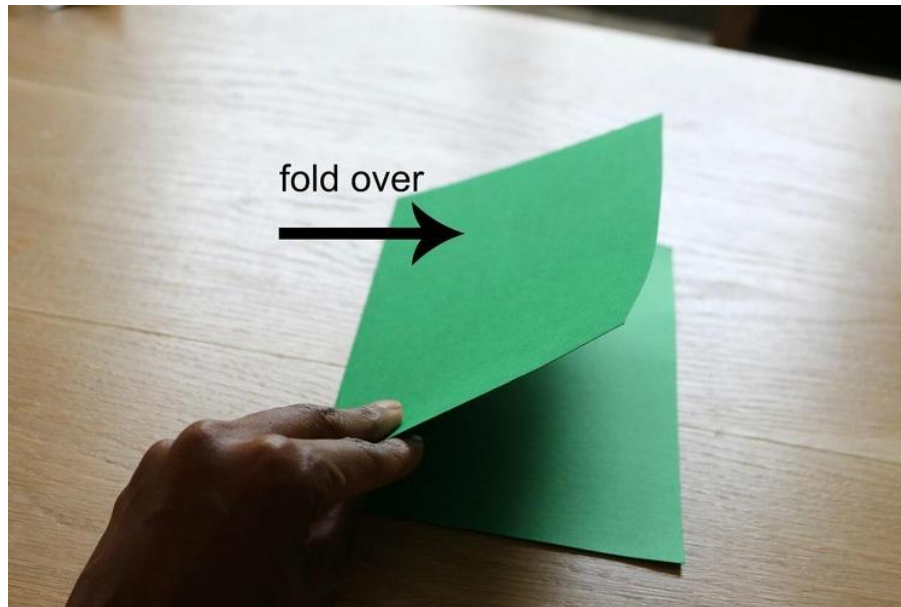

Materials

- ☐ Green Cardstock
- ☐ Red Feathers
- ☐ Ribbon or elastic
- ☐ Stapler (if using elastic)
- ☐ Glue gun

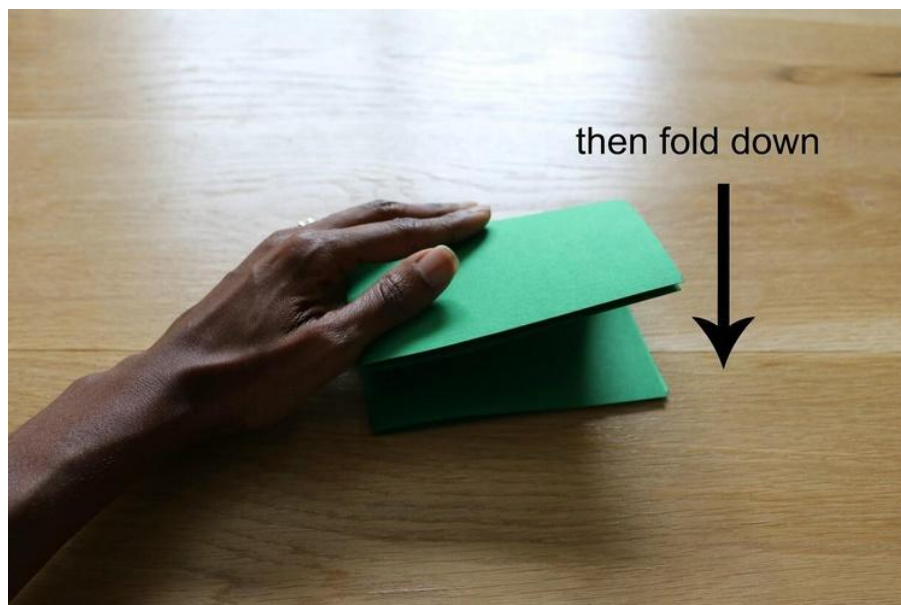

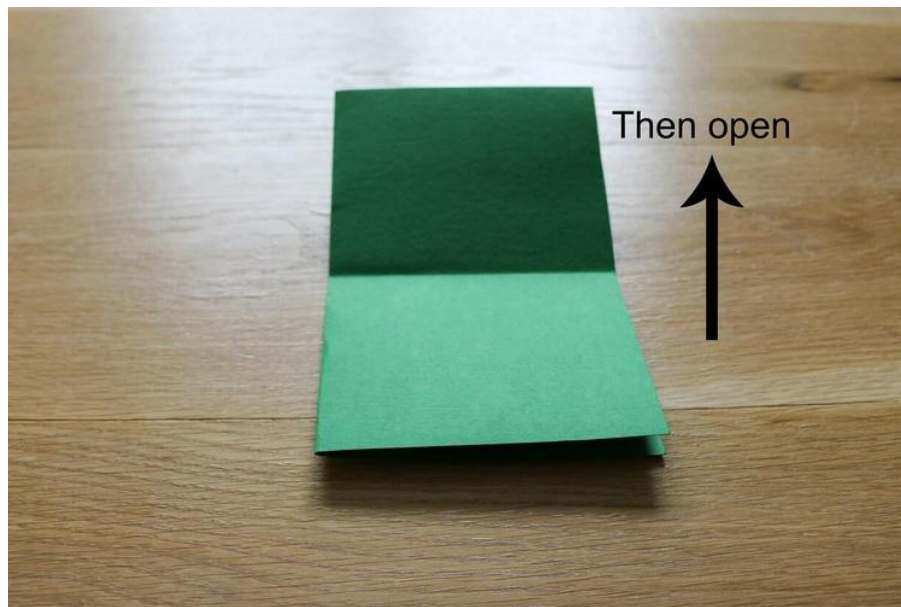

Directions

- 1 Place your paper in landscape orientation. Then fold it vertically.

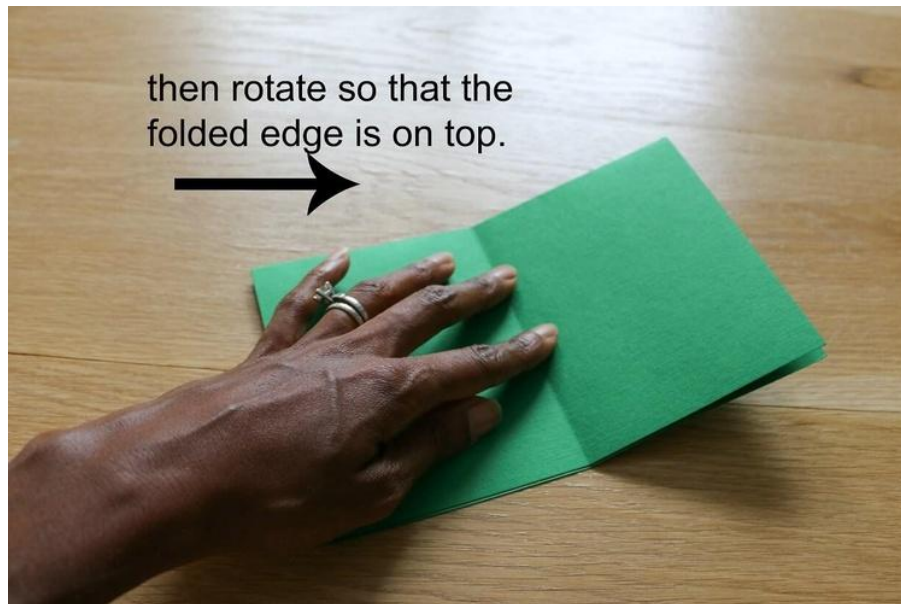

- 2 Next, fold it horizontally and then unfold.

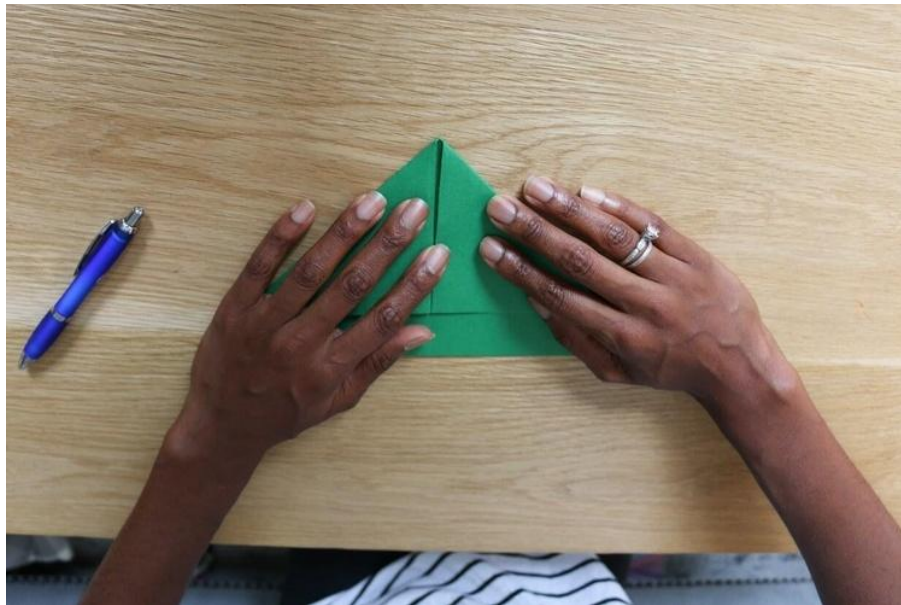

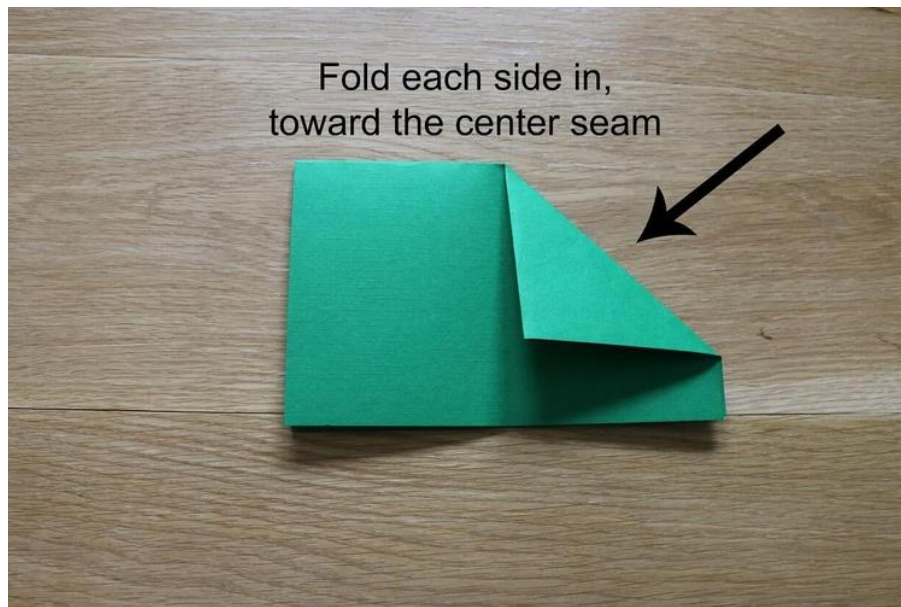

3 Turn the paper so that the folded edge is on top.

4 Fold the top corners into the center line making sure to keep them even.

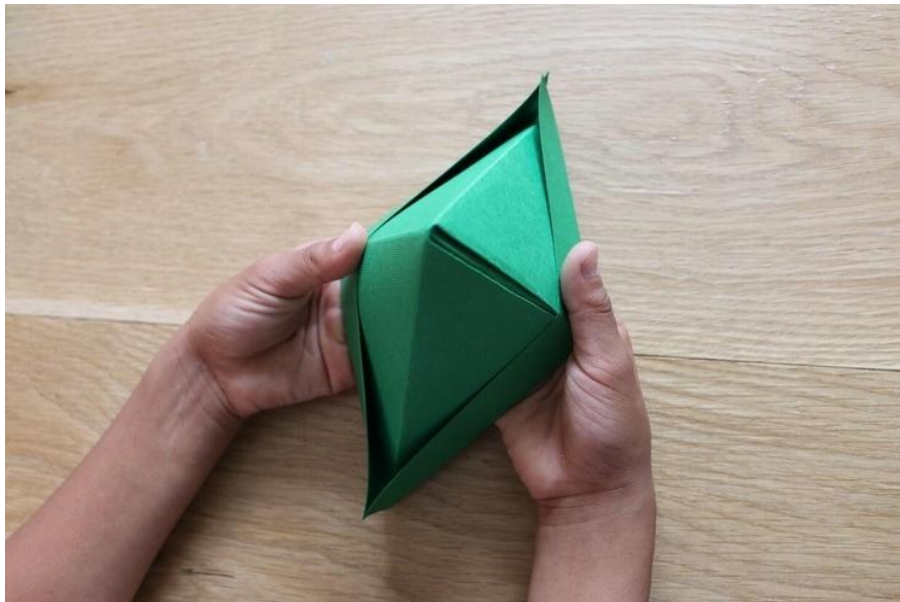

5

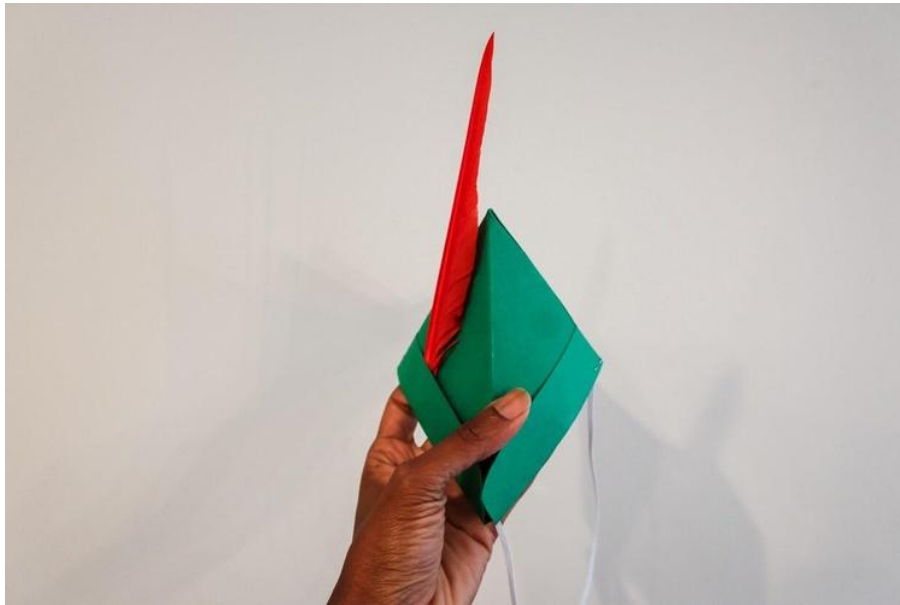

Fold one bottom flap up. Then flip to the other side and fold the other bottom flap up.

- 6** Open up, then staple a piece of elastic to each side making sure to place the elastic in the corner of the staple instead of the center (it's more secure that way!) and hot glue the red feather on.
